For Immediate Release:

New Interventional Cardiologist Joins Havasus Regional Medical Center Staff

Lake Havasus City, AZ – May 12 2010 - Dr. Melvyn V. Mahon, M.D., F.A.C.C., F.S.C.A.I., is the newest Interventional Cardiologist on the medical staff of Havasus Regional Medical Center. Dr. Mahon has opened his practice, Cardiac and Vascular Associates, LLC, at 1851 Mesquite Avenue, #210 in Lake Havasus City. The office phone number is 928-855-5090.

Dr. Mahon earned his Medical Degree and served an Internship at Howard University College of Medicine and Howard University Hospital, respectively, in Washington D.C. He completed Medical Residency at the V.A. Medical Center, also in Washington D.C. Dr. Mahon completed a Clinical Cardiology Fellowship at Rush-Presbyterian- Saint Luke's Medical Center in Chicago, Illinois and an Interventional Cardiology Fellowship at Likoff Cardiovascular Institute at Hahnemann University Hospital in Philadelphia, Pennsylvania. In April of 2010 he finished a mini-fellowship in advanced peripheral vascular interventions at the Endovascular Therapies Fellowship Training Program in Peoria, IL.

Dr. Mahon has 28 years of extensive cardiovascular experience, including private practice in Columbia, South Carolina and Tulsa, Oklahoma and has held faculty appointments at the Medical University of South Carolina Medical School in Columbia, Hahnemann University Hospital in Philadelphia, and Rush-Presbyterian-Saint Luke's Medical Hospital in Chicago. Dr. Mahon is a Fellow of the Society for Cardiovascular Angiography and Interventions, Fellow of the American College of Cardiology and a Member of the American College of Physicians. Additionally, Dr. Mahon is a Level 3 trained and a Diplomate certified in the subspecialty of Cardiovascular Computed Tomography.

About Havasus Regional Medical Center

Havasus Regional Medical Center is a licensed 181-bed acute-care facility fully accredited by The Joint Commission. Providing 24-hour emergency services, it is also a state-certified ALS Base Hospital, authorizing medical direction and support of pre-hospital care providers, fire department paramedic and ambulance personnel. The facility offers a full complement of patient-centered, community hospital and regional referral services in most major medical disciplines, including an on-campus inpatient rehabilitation facility. More than 100 affiliated physicians and allied health professionals comprise the medical staff and represent a broad cross-section of specialty areas. More information can be found on its website at HavasusRegional.com
