

Havasu Regional Medical Center is driven by our mission of *making communities healthier.*® We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

2023 Community Benefits

Added 137 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, cardiology, internal medicine, nephrology, family and emergency medicine, hematology, oncology and more.

Made nearly \$10.1 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included Baxter pump replacements, new anesthesia machines, a BK500 ultrasound machine and an expansion to our Cardiac Cath Lab.

Distributed a payroll of \$83,020,796 to approximately 705 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated more than \$27.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$20,792,965 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Our 2023 Community Impact

HRMC was proud to support the Cancer Association of Havasu for their annual Breast Cancer Awareness walk.

Marlena Kellam, RN, from HRMC's ICU was honored with The Daisy Award for Extraordinary Nurses for the high-quality, compassionate care she provides all her patients.

HRMC and sister hospital, Valley View Medical Center, partnered with Mohave Community College for a Market Leadership Development conference.
